

The diagram illustrates a computer system 900. A central horizontal bus 920, represented by a line with arrows at both ends, connects several components. Above the bus are four components: PROCESSOR(S) 922, MEMORY 924, FIXED DISK 926, and REMOVABLE DISK 914. Below the bus are five components: DISPLAY 904, KEYBOARD 910, MOUSE 912, SPEAKERS 930, and NETWORK INTERFACE 940. Each component is connected to the bus via a vertical double-headed arrow, indicating bidirectional communication.
